

## **The Queen**

**Season 2**

**Episodes: 260      Duration: 24'**

### ***Power Struggles, Secrets and Lies***

#### **Synopsis:**

A fast-paced telenovela about a dedicated wife, mother and successful businesswoman. Harriet Khoza is forced to do the unthinkable when her husband's secret comes to light. Set in the contrasting worlds of the rich in Waterfall and the middle-class of Tembisa. The Queen strips bare the insatiable lust for power amongst the rich and the victims that find themselves at their mercy. It also uncovers the power struggles women are faced with in business and at home, due to cultural practices and beliefs.
